

## Winchester Wheelmen November 2022 Meeting Minutes

The meeting convened at 6:51 PM

The first item on the agenda was the treasurer's report.

Savings:               \$1503.56

Checking:             \$2396.02

Cash:                    \$100

Total:                  \$3999.58

Primo Potties will be paid \$189.54

Second Item was jersey and t-shirt orders. Ken stated that we had 8 new orders on the jerseys, and we needed a minimum of 4 orders. He also reported on putting in a new order for long sleeved t shirts. Several members asked about different material for the t-shirts. Ken will look into that.

Cindy spoke about winter activities. Three speakers will be presenting on nutrition, myofascial recovery, and yoga for cycling. This will be open to all members. Chris will do more bike mechanic classes for women and if there are openings then men can join. The women's ride may move from Wednesday to Thursday so more women can join and more women can do the Tuesday night bike ride. Cindy may be willing to host some gravel rides over the winter. More to come.

Zita has started her winter hiking group. If you want to join the hiking group, please contact Zita.

Ken reported that the executive committee met regarding a Wheelmen Banquet. Rather than a "formal banquet" it was decided that the December Meeting will be more of a social gathering, and we will elect officers at that time. If anyone wants to be nominated, please contact Andrea.

For the second weekend of June 2023 we are planning a BBQ/cookout with a possible bike ride before and everyone plus families will be invited.

The meeting was adjourned at 7:07 pm
