

June 13, 2022 Meeting

The meeting was called to order at 7:15 pm

Treasurer's Report:

The meeting began with the treasurer's report. Robert reported the following:

Savings	\$1503
Checking	\$2587
Cash	\$160.00
Total	\$4230.34

This month paid \$100 to the League Of American Cyclists for Club affiliation and \$120 donation to Whitehall Church. Still not charged for the porta-potty.

Old Business:

Ken discussed needing help on getting the orders for the club t-shirts and jerseys on the website. Wolfgang volunteered to put it on the site's shopping page

Ken welcomed the three new members that came to the meetings and discussed club benefits. All members need to contact Ken to get put on the google group and get the ride with GPS premium membership.

Ken reported that the club's July fourth ride had a great turnout of 45 riders. Rosalie provided SAG and t was greatly appreciated. Robert and Ed provided the snacks and they, too were greatly appreciated.

Ken reported that there are a lack of photos for the computer website and photos of rides should be sent to Wolfgang or Kevin.

Andrea gave an update on the CCAP bike ride. Planning for the bike ride is in full swing. The date is set for Aug 27. Both food trucks will be coming back. There will be a sno-cone truck at Richards Fruit Market.

Women's Group update. The Wednesday night women's ride is at Kimbell in Clarke County for the next month. There are an average of 7 riders. Two of the women are on rides; one across country and one is doing the GAP and C&O The women's group is sending pictures and words of encouragement. The ride will move to Boyce elementary next.

New Business

Ken Brought up a donation to the Kids Club. After Mike Perry and Bob Morris gave a history of the club's relationship with the Kid's Club, there was some discussion about how best to ask the club what their needs might be. Ken is to reach out to their executive director and see how the bike club might help and get back to the club. Bruce mentioned that club members should bring ideas about which nonprofits to support for the next year to the club and the executive team can then decide. Bob Morris brought up helping to support Mike Perry's mission of building bikes for various charities. After discussion Bruce made a motion to support Mike Perry's mission to the tune of \$500.00 and Andrea seconded the motion. The club voted in favor of doing this.

Ken brought up the idea of moving the August meeting to a later date in August as most of the executive committee along with several members would not be available. A motion was brought forth to not hold the meeting in August and it was voted not to have an August Meeting. Andrea brought up the idea of moving the club's Christmas formal to September and holding it at either one of the golf courses or at West Oaks Farm Market. Andrea volunteered to look at pricing and to get back to the executive committee. Andrea will also form a club formal committee.

The meeting was adjourned at 7:36 pm
