Primo Potties will be paid for at the end of October and there is another bill for \$50.00 that needs to be paid. There was some question as to whether The Wheelmen have yet to pay for the jerseys or if the bike shop did.

Old Business

1. Ken stated that Jersey's and t-shirts were at the shop and they were available to be picked up
2. The Wheelmen need to clean up their portion of the road. Usually, Jonathan Hanson organizes this but Ken will be putting forth a date for the clean-up.
3. At July's meeting the club voted to give Mike Perry \$500.00 to help support all the good work he does to supply bikes for local area non-profits. Mike sent the Wheelmen a thank you note.
4. Andrea reported that The CCAP ride netted \$11,680 and thanked all who participated. The survey netted a lot of good responses.
5. Cindy reported that the women's rides are going strong and a couple of new women joined. The last ride of the season will be two Wednesday's from now. The end of the season get together will be at regions 117 on October 13 and will be open to every woman in the club. There will be winter activities to keep the group going.
6. At the July meeting a late summer/early fall banquet was discussed. Andrea looked into West Oak Farm Market and the price for that would be around \$3000 which was a non-starter for the club. Andrea, Wolfgang, and Cindy will look at venues for a banquet to be held in November. Several venues were mentioned: The center on Poorhouse Road out on Route 50, Shenandoah and Bowling Green golf courses, The Monument.
7. The Winchester Wheelmen fall metric Century ride will be held on October 16 at ten am. Registration will be through the wheelmen website. There will be different routes: 17 miles, 25 miles, 42 miles, and 62 miles. All routes are mapped on ride with GPS.

New Business

8. Beginning in October all rides will become impromptu for the winter season

9. Andy Guest will be a regular ride beginning October 15
10. Robert brought up that there are a lot of new members but there were not a lot of casual rides and we need to do better next summer. The ice cream social was discussed and a suggestion for Mattie's Ice cream Truck to come to the Ice Cream Social. That ride will be scheduled in late July 2023. Andrea will contact Matties regarding having them at the Ice cream ride.
11. Len Yang brought up wanting to do a one way on Skyline Drive and the date of October 14 was suggested. More to come.

Meeting was adjourned at 7:30.
